

## Service Partner™ Plans (SPP) for Plumbing, Heating, Cooling, Water Treatment, Including Remote Home Monitoring

***We help you care for those you love!***

- **Remote Home Monitoring** - Our Advanced Premier Monitoring Technologies go beyond smart thermostats. We monitor your systems remotely and can detect problems and notify you prior to an emergency.  
*This SPP gives you Peace of mind... We care when you're not there!*
- **Priority Service** - As a Service Partner Plan (SPP) Member, you are never left "out in the cold"! You are our priority, and we make sure you are at the front of the line.
- **15% DISCOUNT** - That is right! As a Premier Service Partner Plan Member, you always save 15% on any service.
- **24 Hour Emergency Service\*** - No matter what time, day, or night, we are here for your home and your family.
- **Heating and/or Cooling High Performance Tune-up** - This SPP is recommended by manufacturers and Utility Companies and can reduce breakdowns by 95% and lower utility bills by 30%.
- **Plumbing Safety Inspection** – This SPP Inspection assesses all plumbing systems, including Hot Water Heater, and ensures they are safe and operating properly. We alert you to potential emergencies prior to becoming problems!
- **We Notify You!** - We know you are busy, so we will contact you to ensure your Tune Up is scheduled.
- **100% Satisfaction Guarantee** - We promise to ensure you are satisfied. If you are not happy, neither are we.
- **Fully Transferable** - If you sell your home, this plan is transferable to the New Owner.
- **And MOST IMPORTANT- We always send a highly trained, licensed, and insured Premium Service Technician to your home. We comply with strict CDC COVID Protocols and are committed to your safety and satisfaction.**
